PROFESSIONAL PROFILE

Customer Success and Operations professional with over 20 years of experience managing end-to-end client relationships across tourism, services, and professional organizations. Specialized in designing and optimizing the systems that make businesses run better — from CRM and client lifecycle management to operational coordination and digital transformation. Proven track record in client retention, organizational efficiency, and process improvement. Currently integrating AI tools and workflow automation as a real operational advantage.

PROFESSIONAL EXPERIENCE

Sales Executive | VACATION SHOP DR – VIAPOR

Feb. 2023 – Dec. 2024

- Managed the full client service cycle — inquiry, quotation, booking, and post-sale follow-up — for national and international travel packages, excursions, and group tours.
- Maintained a client satisfaction rate above 75% through personalized follow-up and agile resolution of requests.
- Grew recurring client portfolio by 40% through loyalty strategies and active CRM management.
- Reduced response time to client requests by 60% by optimizing the service flow and supplier coordination.

Career Transition & Professional Development

Oct. 2021 – Jan. 2023

- Undertook a deliberate career repositioning toward Customer Success and Operations roles, including active job search, skills assessment, and professional development in digital tools and CRM management.

Administrative Assistant | FIADASEC, INC.

Feb. 2014 – Sep. 2021

- Managed registration, billing, and collections for 376 attendees at the 8th International Congress of Culture for Peace, achieving zero operational errors.
- Reduced accounts receivable by 85% through billing process optimization using the Monica system.
- Streamlined merchandise delivery process, reducing operational turnaround time by 70%.
- Led digital transformation during COVID-19 (2020), coordinating the shift to remote work, virtualization, and digitization of key processes.

Reservations Manager | VIVA PLATINUM CLUB – VWR

Jan. 2008 – Jan. 2012

- Increased service demand by 95%, positioning Viva Platinum as the most profitable local tour operator in reservations.
- Recognized as Employee of the Year 2009 for outstanding customer service and performance.
- Designed multichannel communication processes that reduced response times by 80%.
- Participated in ISO 9001-2000 certification, applying quality and continuous improvement standards across departmental processes.

Reservations Executive

Jan. 2006 – Jan. 2008

- Consistently met and exceeded reservation targets during peak season, selling vacation packages to national and international clients.
- Managed the full client experience from initial inquiry through post-sale, maintaining high satisfaction standards.

Customer Service Representative

Jan. 2004 – Jan. 2006

- Increased client membership and loyalty by 80% through active listening, empathy, and effective problem resolution.
- Served national and international clients, building long-term relationships that drove retention.

Customer Service Representative | ROYAL HOLIDAY CLUB

Jan. 2000 – Jun. 2003

- Increased client affiliation and loyalty by 80% through effective customer service skills and personalized follow-up.
- Consistently achieved 85% of monthly sales quota over 3 years in the role.
- Developed strong negotiation, objection handling, and closing skills in a high-volume client interaction environment.
