PROFESSIONAL EXPERIENCE

Sales Executive | VACATION SHOP DR – VIAPOR | Feb. 2023 – Dec. 2024

- Managed the complete customer service cycle — inquiry, quotation, booking, and post-sale support — for domestic and international travel packages, excursions, and group tours.
- Maintained customer satisfaction above 75% through personalized follow-up and prompt resolution of requests.
- Increased the recurring customer base by 40% through loyalty strategies and active CRM management.
- Reduced response time by 60% by optimizing the service workflow and coordination with suppliers.

Administrative Assistant | FIADASEC, INC. | Feb. 2014 – Sep. 2021

- Managed registration, billing, and collections for 376 attendees at the 8th International Congress on Culture for Peace, achieving zero operational errors.
- Reduced accounts receivable by 85% by optimizing the billing process using Monica.
- Optimized merchandise delivery, reducing operational response time by 70%.
- Led the digital transformation during 2020, coordinating remote work, virtualization, and digitization of key processes.

Reservations Manager | VIVA PLATINUM CLUB – VWR | Jan. 2008 – Jan. 2012

- Increased service demand by 95%, positioning Viva Platinum as a highly profitable local tour operator in reservations.
- Recognized as Employee of the Year in 2009 for performance and customer service.
- Designed multichannel communication processes that reduced response times by 80%.
- Participated in the ISO 9001-2000 certification process, applying quality standards and continuous improvement practices.

Reservations Executive | VIVA PLATINUM CLUB – VWR | Jan. 2006 – Jan. 2008

- Exceeded reservation targets during peak season for domestic and international customers.
- Managed the complete customer experience from the initial inquiry through post-sale support.

Customer Service Representative | VIVA PLATINUM CLUB – VWR | Jan. 2004 – Jan. 2006

- Increased customer membership and loyalty by 80% through active listening, empathy, and effective problem resolution.
- Served domestic and international customers, building long-term relationships that supported customer retention.

Customer Service Representative | ROYAL HOLIDAY CLUB | Jan. 2000 – Jun. 2003

- Increased customer membership and loyalty by 80% through effective service and personalized follow-up.
- Consistently achieved 85% of the monthly sales quota over 3 years.
- Developed strong negotiation, objection-handling, and closing skills in a high-volume environment.

AI & DIGITAL PROJECTS

- Customer Churn Prediction — Machine Learning model designed to identify churn patterns and support Customer Retention strategies. Python, Pandas, NumPy, Scikit-learn, Google Colab.
- Sentiment Analysis — sentiment classification with applications to Customer Experience and feedback analysis. Python, NLP, Machine Learning.
- AI Ethics & Bias — analysis of AI bias and ethics applied to business processes and decision-making.
- Fraud Detection — Machine Learning project focused on identifying potentially fraudulent transaction patterns.
- AI & Process Automation — learning and experimentation with AI and automation for business process optimization.
